TO WHOM IT MAY CONCERN:

Re: Mr. Jose Martin Rodriguez

Credentials of academic standing were submitted to the Comparative Education Service for interpretation and appraisal.

According to these documents, the above-mentioned person registered for a program of studies, at the University 'Rafael Urdaneta', Maracaibo, Venezuela, South America.

Degree or Diploma obtained: Title of Architect, in 1992.

Although programs, degree requirements, and fields of study may differ in various respects, we would consider Mr. Rodriguez' Title to be comparable in level to a Bachelor's degree, specializing in Architecture, from a reputable Canadian university offering a similar program.

This assessment is for general and employment purposes only, and it does not constitute an offer of admission to a university. In addition, the assessment has no bearing on any evaluation made for the purposes of any application for a licence to practice a profession in Ontario or any other province or territory of Canada. Only those persons licensed by the appropriate professional association or governing body may practice or offer professional services to the public in Ontario or any other province or territory of Canada.
